

# Eco-Friendly Valentine's Day Gift

## Instructions

1. Buy or make recycled paper seed hearts.

Here is one place you could get them:

<https://www.amazon.com/gp/product/B015TKAI16>

2. Print the paper with the cards, (as many as you need).

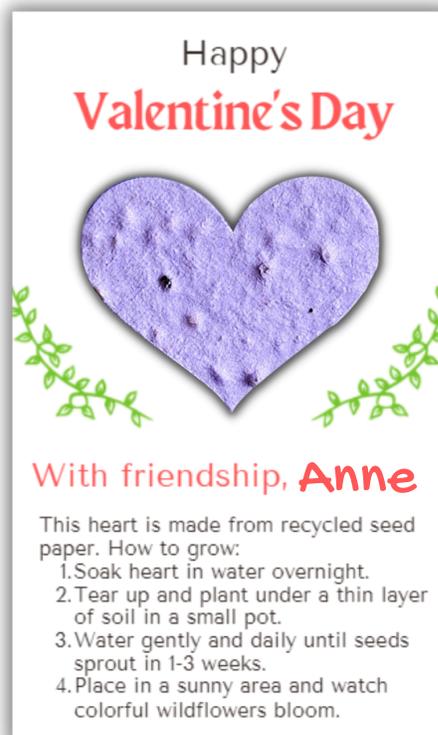

3. Cut cards along guidelines.

4. Add heart seed paper to each card.

Make sure the glue/tape that you use can be easily removed.

5. Add your name to each card.

6. Give to friend/classmates.

Happy  
**Valentine's Day**

With friendship,

- This heart is made from recycled seed paper. How to grow:
1. Soak heart in water overnight.
  2. Tear up and plant under a thin layer of soil in a small pot.
  3. Water gently and daily until seeds sprout in 1-3 weeks.
  4. Place in a sunny area and watch colorful wildflowers bloom.
